

ENVIRONMENTAL JUSTICE : A SUPRANATIONAL APPROACH

Joël Andriantsimbazovina

After a general presentation of the different theories of environmental justice in their philosophical, political and sociological dimensions, the course focuses on a legal approach to environmental justice. Attention is paid to the jurisprudence of supranational courts and tribunals. Cases studies will be offered.

28 April : Theories of environmental justice.

29 April : A Legal, Procedural and Human Rights's Approach to Environmental Justice.

30 April: European Court on Human Rights and Environmental Justice.

2 may: Inter-American Court of Human Rights and environmental justice.
